The Sunday School Board believes that children's Islamic & Arabic education is enhanced by a close partnership between the home, the school, and the community. Parents and families will be expected to dedicate at least 10 hours (15 hours with two or more students) a year of volunteer time to the school. Attending all PTO meetings will be considered 5 hours of service for the year.

In addition, it is the school's goal that parents will encourage and participate in their children's Islamic and Arabic education. Parents should emphasize the importance of students attending school every Sunday, completing homework assignments, valuing religious education, and following through with suitable learning activities at home.

We, (father/mother's name) \_\_\_\_\_  
dedicated parents of The Sunday School, will fulfill our obligation of parent service by providing The Sunday School with **10 hours** of service for family with one student, and **15 hours** for a family with two or more students. Please fill in the service contract/credit hours on the back of this form soon after every service is performed and signed by the faculty member you helped. All forms will be in the Parent Service Binder in the Sunday School Office.

Pay a contribution of \$10.00 per hour for 10/15 hours if unable to volunteer your time.
